WANT DR. STAFFORD.

Delegation Asks His Promotion to St.

Patrick's Pastorate. Since the death of the Rev. Father Gloyd, pastor of St. Patrick's Church, much speculation has been indulged in as to who will succeed to the important pastorate. Many row cuffs attached. We need about a couple of of the parishioners are anxious that the Rev. Father D. J. Stafford shall receive the promotion, as he has been assistant pastor of the church for a long time, and has many friends among non-Catholics as well as in the congregation. Saturday morning last a delegation of members of St. Patrick's Church called on Cardinal Gibbons in Baltimore in behalf of Dr. Stafford. Those who composed the delegation were Solicitor O'Connell of the Treasury Department, Mr. D. 1. Murphy, Mr. Frank P. Madigan, Mr. A. A. Wilson, who was marshal for the District under President Cleveland; Mr. Charles W. Handy, Mr. James D. Mankin and Mr. Edward J. Hannan. Mr. Murphy acted as spokesman for the dele-

Cardinal Gibbons accorded the members pleasant interview and listened attentively to the words of commendation of Father Stafford. Mr. Murphy told the cardinal of the high esteem in which Dr. Stafford is held by Catholics and non-Catholics alike, and of the great amount of good he has accomplished during the time he has been connected with the church. His elevation, the cardinal was told, would please thousands of people who are deeply interested in the assistant pastor. Cardinal Gibbons promised his visitors that he would give their request careful consideration before filling the vacancy.

NERVOUS DYSPEPSIA.

A CURE FOR IT.

NOT A PATENT CURE-ALL, NOR A MODERN MIRACLE, BUT SIMPLY A RATIONAL CURE FOR DYSPEPSIA.

In these days of humbuggery and deception, the manufacturers of patent medicines, as a rule, seem to think their medicines will not sell unless they claim that they will cure every disease under the sun. And they never think of leaving out dyspepsia and stomach troubles. They are sure to claim that their nostrum is absolutely certain to cure every dyspeptic, and he need look no further.

In the face of these absurd claims it is refreshing to note that the proprietors of Stuart's Dyspepsia Tablets have carefully refrained from making any undue claims or false representations re garding the merits of this most excellent remedy for dyspepsia and stomach troubles. They make but one claim for it, and that is, that for indigestion and various stomach troubles Stuart's Dys-peps:a Tablets is a R.A. A.C. U.... 1...y go no farther than this, and any man or woman suffering from indigestion, chronic or nervous dyspepsia, who will give the remedy a trial will find that nothing is claimed for it that the facts will not fully

sustain. It is a modern discovery, composed of harmless vegetable ingredients acceptable to the weakest or most delicate stomach. Its great success in curing stomach troubles is due to the fact that the medical properties are such that it will DIGEST WHAT-EVER WHOLESOME FOOD IS TAKEN INTO THE STOMACH, no matter waether the stomach is in good working order or not. It RESTS the overworked organ and replenishes the body, the blood, the nerves, creating a healthy appetite, gives refreshing sleep and the blessings which always accompany a good digestion and proper ASSIMILA-

TION of food. In using Stuart's Dyspepsia Tablets no dieting is required. Simply eat plenty of wholesome food and take these Tablets at each meal, thus assisting and resting the stomach, which rapidly regains its proper digestive power, when the Tablets will be no longer required. Nervous Dyspepsia is simply a condition in

which some portion or portions of the nervous system are not properly nourished. Good digestion invigorates the nervous system and every organ in the body. Stuart's Dyspepsia Tablets are sold by all drug-

AFFAIRS IN GEORGETOWN

COLORED BOY, AGED NINETEEN, DROWNED IN THE RIVER.

Body Recovered and Placed in the Morgue-Soldier Boys Returning From the Philippines.

James Hart, a colored boy, aged nineteen, was drowned yesterday afternoon about 2:30 o'clock at the wharf off the old Great Falls Ice Company's storehouse, near the foot of 31st street. The body was recovered an hour later by Robert Golden and turned over to the police, the dead wagon conveying it to the morgue, where the coroner viewed it and gave a certificate of accidental death.

Hart resided on 23d street between H and I streets, and was in company with Russell Brown of 1033 14th street and Jas. Wilson of 2609 Pennsylvania avenue. The three were along the water front yesterday afternoon, and coming across a slip, which was fenced off, they climbed the fence instead of walking around, and expected to reach the other side by a long step. Hart's two companions succeeded, but Hart made a miscalculation, and instead of landing on the other side he fell short and went into the water. It is supposed that in falling his head struck a pile, and he became unconscious. His companions were too much frightened to help him, and by the time the alarm was given the boy was drowned. Robert Golden, a well-known riverman, who, it is said, has recovered more drowned persons than any other man on the river front, brought out a boat, and after dragging for about an hour was success ful in bringing the body up, within twenty feet of the spot where Hart struck the water. The police boat was not notified of the matter.

Injured by a Fall. Dennis O'Brien, aged forty-five, fell down the steep flight of stone steps alongside the Union depot, leading from Prospect avenue to M street, on 36th street last evening about 9 o'clock, and sustained a number of injuries about the head. He was removed to the Georgetown University Hospital in the patrol wagon, and later went to his home at 2046 35th street.

Soldier Boys Returning. A number of Georgetown boys, who enlisted in the volunteer regiments for the Philippine campaign, have returned home, having received discharges from their regiments, after some hard service in the islands. Robert Krouse, Harry Trunnell

and Julius Stewart, are among the first comers, the first named reaching home Saturday about noon, while the last two arrived yes-terday. All three served in Company C of the 27th United States Volunteers. The men were detained at San Francisco for about twenty days, awaiting the making out of their discharges, and on the trip east were given places on different trains. Walter Brown, Joseph Bailey and Thomas Duncan, who were in the same regiment, are

During the taking of testimony late Saturday at the office of Rutledge Wilson, examiner-in-chancery, 406 5th street, in connection with the proceedings for divorce instituted by Elizabeth Griffith against George M. Griffith, an exciting episode occurred. Mr. Thomas J. Sweeney was testifying. Certain of his statements seemed to agitate Mrs. Griffith. Of a sudden she slapped the witness, and immediately thereafter seized an inkstand. Just as she threw the latter her attorney, Mr. John C. Gittings, stepped between the pair. The inkwell, instead of striking Mr. Sweeney, landed against the cheek of Attorney Gittings, causing a wound that bled profusely. According to those present, it required the efforts of several persons to quiet Mrs. Griffith. The hearing before the examiner was discontinued for the day. Attorney W. Preston Williamson, repre-

row to Justice Bradley, in Equity Court, and which asks that, "on account of gross misbehavior of the complainant," the testimony in the case be taken in open court. It is further stated by Attorney Williamson that his intention is to request the court to get against Mrs. Criffiths.

The case of Edward Miller, charged with forgery, was called before Mayor Simpson in the police court this morning. Included in the general charge there were several items against the prisoner, but only two of these were investigated. In the first case Harry Demarest, clerk for D. W. Altcheson, appeared against the prisoner and testified that Miller had presented an order for \$2.59 bearing what purported to be the signature of Mrs. Georgiana Robey. Mrs. Robey was called and testified that she had not signed the paper. Mr. Demarest testified that the money was paid to Miller. Mayor Simpson referred the case to the grand jury. Mrs. Robey's name was also signed to an order on J. E. Cliff for groceries, which a witness testified had been presented by the prisoner. This case was also referred to the grand jury.

General Matters. The remains of Mrs. Caroline Hall, who died in Washington, were brought here yesterday afternoon and interred in Union cemetery. Mrs. Hall was a former resident of this city. Mr. James O. Bruin, a law student at the

University of Virginia, paid a brief visit to his home in this city today.

Special Easter music was rendered in all the city churches yesterday where any services were held, and large congregations attended. Rev. A. B. Carrington occupied the pulpit at the Second Presbyterian Church and Rev. Father Davitt of George-town preached at St. Mary's Church. Presiding Elder Eakers delivered sermons both morning and evening at the Free

> Heart Disease Causes Death. Colin Atkinson, thirty-six years old, was

found dead on the steps in front of his house, No. 1350 B street southwest, about 7:30 o'clock yesterday morning. His body was in a sitting position when discovered by S. R. North and A. J. Hodges, neighbors of the dead man. The deceased was a printer by trade, but had been unable to work for several days because of illness. It is believed he returned home late Saturday night and sat on the porch to rest. While sitting there he had an attack of heart failure. Coroner Nevitt investigated the case and gave a certificate of death from failure.
